Call for Poster Submissions 2024 Humboldt Bay Symposium

Hello Students!

The Coastal Ecosystems Institute of Northern California and Symposium Subcommittee is planning the Humboldt Bay Symposium for **April 11-13**th, **2024** at the Sequoia Conference Center in Eureka, CA!

The Humboldt Bay Symposium is a community-oriented conference convened approximately every two years to provide the public an opportunity to hear directly from experts about the latest developments on a variety of timely topics related to Humboldt Bay including: scientific research, ecological restoration, sustainable use of natural resources, recreational facilities, and maritime infrastructure and industry.

This year the theme is "Humboldt Bay in Transition: Navigating Change and Growth" and session topics include:

- Ecology & Restoration
- Fisheries & Aquaculture
- Ocean Change & Sea Level Rise
- Offshore Wind & Port Development

And we want to hear from you! If you are interested in sharing your work and presenting a poster, please submit an abstract to carolyn@coastalecosystemsinsitute.org by March 1st, 2024. Student poster presenters will receive free entry to the poster session, held the evening of Thursday, April 11th, 2024, and posters will remain displayed throughout the duration of the conference.

Find more scheduling details and registration information at our website: https://www.coastalecosystemsinstitute.org/index.php/humboldt-bay-symposium/

Thank you,

CEINC and Symposium Subcommittee members
